

Turtle Tracks The family and I were hanging around Acadia one morning, when someone asked us – Where can we go when we're in the mood for some great Downeast Cook'in, local fun and prices that won't soak the boat? We mean casual and friendly surroundings inside and out, a place where all ages are welcome and come as you are!! Well, I had it!

I knew the answer to this one: Tavern

10 Huntington Rd., Northeast Harbor, Maine
Located in the Marina at the Kimball Terrace Inn, overlooking the scenic Harbor.
